If the shareholder has modified the form with special instructions or conditions, or has altered or added to the pre-printed text, the vote (i.e. the postal vote in its entirety) is invalid. Only one form per shareholder will be considered. If more than one form is submitted, only the most recently dated form will be considered. If the same date has been provided on two forms, only the form most recently received by the company will be considered. An incomplete or wrongfully completed form may be disregarded.

Such registration may be temporary (so-called voting rights registration) and request for such registration shall be made to the nominee in accordance with the nominee's routines in such time in advance as determined by the nominee. Voting rights registrations effected no later than the second banking day following 28 April 2023 will be considered in the presentation of the share register. If a shareholder who has voted by post attends the Annual General Meeting, in person or by proxy, the postal vote is considered void.

Shareholders who wish to postal vote by proxy must issue a written, signed and dated power of attorney for the proxy. If the power of attorney has been issued by a legal person, a copy of the registration certificate or an equivalent document must be attached.
